

CALL FOR PAPERS • 5th AUSTRALASIAN WORKSHOP ON ECONOMETRICS
AND HEALTH ECONOMICS

Fremantle, Western Australia 14th-16th April, 2014

This workshop provides a forum for the dissemination of developments and applications of econometrics in health economics. The program consists of up to fourteen papers. Each paper is allocated one hour, made up of a presentation by the author, followed by a response from a nominated discussant and general discussion. Presentations by doctoral students and junior researchers are encouraged. The number of participants is limited to 40.

Paper submissions: Papers for the 2014 workshop will be selected on the basis of full drafts. The deadline for submitting papers is Friday 1st November 2013. Electronic submission of papers is required and can be uploaded on the registration page at:

<<http://www.buseco.monash.edu.au/centres/che/workshop2014.html>>

Submitted papers should be unpublished and not accepted for publication. Decisions will be made by 20th December 2013. Authors are encouraged to submit their papers for publication in the Australian Workshop Supplement of Health Economics.

Registration. To register your interest to attend as a presenter, discussant or general participant, please register online by 1st November 2013.

Short Course: The Workshop will incorporate a short course aimed at PhD students and researchers on Monday 14th April 2014 by Professor Andrew Jones, University of York. This is free of charge and open to those not attending the main workshop. Please register online at the above website.

Online registration details and further information about the Workshop can be found at the webpage:
